

IMPORTANT INFORMATION ABOUT OUR LIFE INSURANCE SERVICES

This document contains some key information that you should consider before applying for Life Insurance. You should therefore read it carefully and retain for future reference.

Key information about your life insurance

- We only offer access to life and critical illness insurance products from AIG Life Limited ("AIG").
- We will introduce you to AIG on whose behalf we act who will provide information to help you decide whether the insurance they offer meets your needs. The products you may be eligible for are:
 - Life Insurance – which can provide a cash lump sum if you were to die or be diagnosed as terminally ill.
 - Critical Illness Cover with Life Insurance known as "Critical 3 with Life Insurance" – in addition to providing cover if you were to die or be diagnosed as terminally ill, this can also provide a cash lump sum if you were to suffer from cancer, heart attack or stroke.
- You will not receive advice or a personal recommendation from us and Yorkshire Building Society will not be able to offer help with product selection or completion of applications.
- If you are arranging a mortgage through us, it is not a condition of your mortgage that you take insurance through AIG.
- We won't charge you a fee for introducing you to AIG.
- We receive commission from AIG for the duration of the policy which is a percentage of the total annual premium you will pay should you take out cover as a result of our introduction.
- Yorkshire Building Society is not a member of the AIG group of companies.
